

# Is the Stellar Academy Right for You?

Your child's safe, nurturing educational home from Pre-K through 2nd grade, focused on holistic growth and lifelong learning.

## Who We Are

Principal: Ms. Belton

A retired Texas educator with a passion for social-emotional learning and holistic child development.

Our Vision:

Building a strong academic foundation while fostering emotional well-being, confidence, and resilience in young learners.

Our Future:

Starting with Pre-K this year, we will expand to offer K-2nd grade, creating a seamless transition and long-term home for your child's education.

## What We Offer

### PRE-K PROGRAM (AGES 3-5)

- Play-based learning to ignite curiosity and develop foundational skills
- Emphasis on social-emotional development and relationship-building
- Personalized learning experiences that adapt to each child's strengths and needs
- Clear and frequent communication - Parents are always kept in the loop with updates and progress reports

### FUTURE POSSIBILITIES: K-2ND GRADE

- Dynamic Pre-K program focused on holistic growth
- K-2 expansion for families wanting to continue
- No long-term commitment required
- Flexible partnership based on your family's needs

## What Makes Us Unique?

- Extensive experience in public, charter, and mental health schools, offering a well-rounded understanding of education.
- First-hand insights into the real challenges parents face in ensuring their child receives both academic knowledge and essential life skills.
- Highly praised by parents for an effective, child-centered teaching style that children love.
- Equipped with a master's degree in marriage and family therapy, providing an intimate, personalized learning environment.
- Balances structure and creativity, allowing children to explore safely while mastering developmentally appropriate skills.
- A stellar education that prioritizes both academic growth and personal development in a fun, supportive setting.
- My true passion is helping and educating the youth—making a positive impact on children's lives is my priority, not profit.

## Why Choose Stellar Academy?

### EXPERIENCE AND EXPERTISE YOU CAN TRUST

With a rich background in public, charter, and mental health schools, our principal brings a unique blend of hands-on teaching and mental health expertise. This allows us to provide an education that not only meets academic standards but also prioritizes your child's emotional and personal development.

### PERSONALIZED, HOLISTIC APPROACH

At Stellar Academy, we see your child as more than just a student. Our curriculum is designed to foster academic success while building confidence, emotional intelligence, and resilience. We create an environment where kids feel supported and parents can rest assured knowing their child is in safe, expert hands.

### BALANCED LEARNING ENVIRONMENT

Children love the balance of structure and creativity at Stellar Academy. We provide a dynamic learning experience where they can safely explore and develop, preparing them for the future with a strong foundation in both academics and life skills. Parents value our open communication and collaborative approach, ensuring they are always part of their child's journey.

## Pricing

What's Included:

- **Personalized Learning Experience:** Each child receives customized learning plans, designed to support their unique academic, social, and emotional needs during this crucial stage of development.
- **Holistic Educational Resources:** We provide all necessary materials, including learning aids, progress trackers, and communication tools, to help ensure your child's growth is nurtured both in the classroom and at home.
- **The Stellar Academy Approach:** More than just a preschool, we offer an integrated, modern educational experience. Your child will benefit from a balanced environment that fosters both academic success and emotional well-being, led by a principal and team who are dedicated to your child's long-term growth.
